

Funeral Reception Information

The Bedford is a family-run, AA 3-star hotel and we pride ourselves on our welcoming atmosphere and attention to detail.

The kitchen is run by head chef Paul Curran, who has achieved an AA rosette, a recognition of outstanding accomplishment and who ensures fresh, superior quality fare is always available. Our chefs also have the knowledge and capability to prepare dishes to specific dietary requirements.

Our restaurant manager is Tina Watkins, who has extensive experience and ensures a smooth service at all times.

Two rooms are available for use, depending on the type of reception you require and the number of guests. Our Ballroom is suitable for 30 to 110 guests; the Restaurant for up to 40 guests.

You are welcome to bring along any mementos for display.

Overnight accommodation is available if required, subject to availability.

Arrival Drinks

Drinks on arrival can be arranged.

We can provide a selection of wine and soft drinks, served ready poured and available to collect from the bar. Any choice of drinks can be served in this way and charged to the account.

We are able to serve the first drink on account or all the drinks can be charged to the account.

Alternatively, it may be preferred to remember the family member by serving their preferred tittle and this can be served before, during or after food service.
